STIRRUPS #74201

Adjust to a wide range of angles & lengths to accommodate any patient or procedure. Retractable design stores inside the table. The leg section can be used to support patient's legs while transferring them to the stirrups, then folded down out of the way.

OPTIONAL

SIDE RAILS #63265

Increase stability and security for your patient. Fold down out of the way when not in use. 23.5" (60cm) long x 6" (15cm) tall (from surface of table)

OPTIONAL

ARM REST #67648

Fold down arm rests help the patient feel more secure. They fold down completely out of the way to ensure great access.

OPTIONAL

LOCKING CASTERS #63400

Easily move your table in and around the room.

OPTIONAL

T-RAIL ADAPTER #61902

Multiple locations allow you to choose the best spot for this easily installed & removed accessory capable of handling up to 150 lb (68kg). Can be used with any American standard accessory. 8" (20cm) long

ACCESSORY

QUICKLOCK HEAD REST AND AEROCEL PAD

PKG 4186-T*

This removable head rest is adjustable in angle, height, and distance from the table.

ACCESSORY

PAPER ROLL HOLDER #11580

This simple design is adjustable to accommodate different size rolls up to 21" (53cm) wide.
